

## About us

The Northwest Cascade Chapter is a non-profit organization that is affiliated with the International Association of Central Service Materials Management (IAHCSMM). We are a 501c3 corporation, incorporated in the state of Oregon, for the purpose of providing educational opportunities to those who work in the field of healthcare central service and sterile processing.

Our hope is to continue our mission and find ways to expand our reach to all of those who work in Sterile Processing and Central Supply and related fields.
